**SOUND**

The prophet: “God is coming riding a cloud with a golden girdle around his breast.  
**Heavenly music**

His hair is white, long and eyes aflame, while his feet glow brass.

He seeks sheep, and his voice sounds like rushing water.

He holds seven stars and around his glowing figure, burn seven golden lamps. The seven spirits of God, who already let it be known that the seven stars are the seven angels of the seven churches and that the seven lamps, are the seven churches of Asia.

Each has a message in the forbidden book which contains the Book of Revelations, for those of the past, present and future.

Oneghus was future....

He, God sits on a throne that shines like jasper, red, yellow and brown lightning.

Like chalcedony quartz, cornelian, dull red, reddish white, golden apple green.

Like olivine, of magnesium iron olive green.

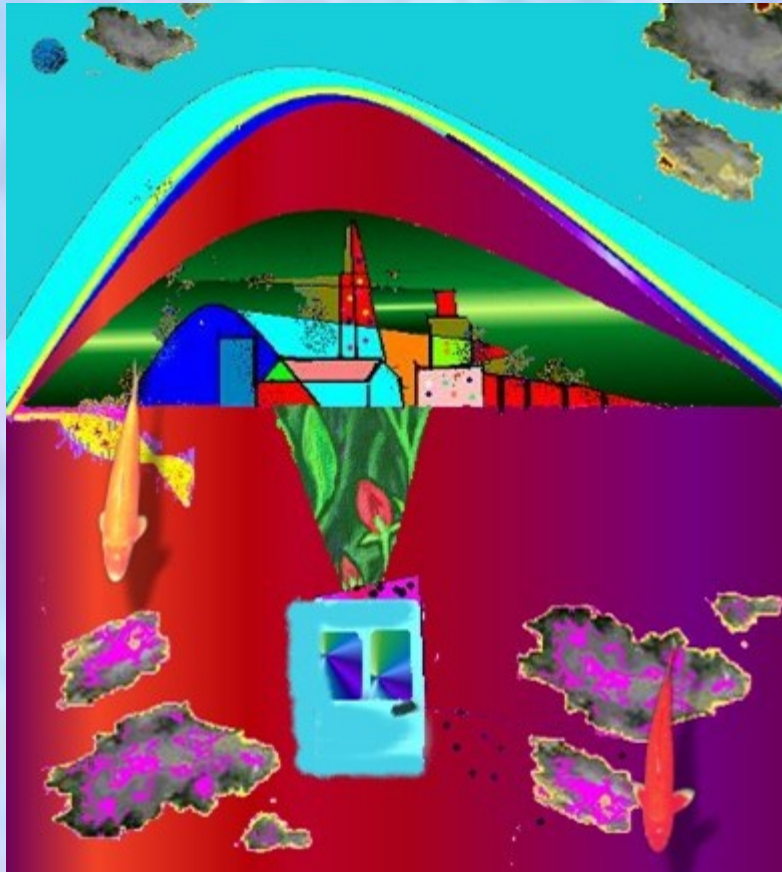

Hard as agate marble.

All related to beryl, already stones chalcedony.

Surrounding them a rainbow of emeralds and aqua mine, all transparent, pale green, light blue, yellow and white, yet all metallic.

And he that stood on the cloud said: “I am bringing recompense to judge everyone according to his deeds.

**I am Alpha and Omega.”**

Not the prophet or Satan, Oneghus or Hagi knew when God would arrive.

Except like a thief in the night.

And establish a New Jerusalem on Planet earth.

His capital.

“After living with Oneghus till the end of his life, I Estor saw that Oneghus hoped Light would come to Earth.

The coming of a New Jerusalem.

Hope against evil ways.

A kingdom ruled by a just and loving ruler.”
